# STUDY Club News

## H O K E Y — P O K E Y S

The Hokey-Pokey Study Club held their May meeting in the home of Bill and Phyllis Smith, Springfield, Ohio, May 15th. There were four members and two guests present.

Discussion centered around ways to date various catalog pages (addendums) of the 1950's. We are finding that many of these pages can be dated to a very close time span. Further study will hopefully provide more exact dating of this material.

"Bring and Brag", included such unusual items as an ivory perfumer; a pink frosted two-piece Ash Well (see pg. 31-28, 1930-34 Catalog Reprint, item #641 for shape); a new size Yardley jar without a lid; a rubina and a dark emerald green twist mud- dler; a #2508 NearCut tankard; and a moon- light blue vase for Cambridge Arms.

Our next meeting will be held on June 5th, in the home of Dave and Sue Rankin, Engle- wood, Ohio.

A magic word—a word to conjure visions!  
Brides of Yesterday in hoop skirts! Brides of Today in slender silhouettes! Brides of royal blood, resplendent, glorified, adorned for the altar in bridal veils of rose point lace!

Rose Point lace is made entirely by hand by the peasants of Belgium, requiring infinite skill and patience. Years are sometimes required to complete a single pattern, and many hands have a part in the making. The finest of cotton thread is used and so delicate is the design that magnifying glasses are worn by the workers. It is never washed, as water would destroy its perfect texture. The younger generation of Belgians have neither the patience nor the inclination to perform so tedious a task, so Rose Point lace is becoming increasingly rare.

And there is another Rose Point luxury for brides, less rare, less costly, but beautiful and distinctive—CAMBRIDGE ROSE POINT CRYSTAL!

# FESTIVE WEEKEND PLANNED

MAKE YOUR PLANS NOW TO ATTEND - YOU'LL BE SORRY IF YOU MISS IT!

Final preparations are being completed pertaining to the Convention and Antique Show to be held in Cambridge, Ohio, the weekend of June 24, 25 and 26, 1977. Registration will be held from 1 - 4 PM on Friday, in the lobby of the Knights Inn Motel.

The very first event you will not want to miss, is the Antique Show and Sale ribbon cutting ceremony Friday evening at 5:45 PM. The ribbon will be cut by Mrs. Barbara Shaeffer of Costa Mesa, California. As many of you know, Mrs. Shaeffer is the Editor of the Rainbow Review Glass Journal. She will also be our guest speaker for the Continental Breakfast on Saturday morning.

After the Antique Show Friday evening, the Get-Acquainted Party should be a MUST on your list of things to attend. Along with Barbara Shaeffer and her mother Mrs. Dixie Huckabee from California, it is our understanding that Gwen and Billy Shumpert from Mississippi (Gwen is author of "Gwen's Glassline" that appears monthly in the Rainbow Review), Beverley and Harold Hanson also from California, Len and Marge Weinberg from New York, Ken and Joan Wilson from Oklahoma, Bill and Meg Turner from Georgia, and Joyce Dawson from Oregon, are just a very few of those who are planning to attend. Of course the members from your Board of Directors, Convention committees, Antique Show committees (including our Show dealers), Hokey-Pokeys and Cambridge Square Study Clubs, and a host of other Ohio members, including your CRYSTAL BALL Editor, will all be on hand to greet YOU! We know there will be many more of you from out of the state of Ohio, but we do not have your names at this time.

On Saturday your day should start at 8:30 AM with Registration and our Continental Breakfast at the beautiful Cambridge Country Club. Our guest speaker Mrs. Barbara Shaeffer will have an interesting and educational program on "The Process of Etching Rosepoint". This will be followed by the showing of the film "The Crystal Lady", by its owners Frank and Vicki Wollenhaupt.

You will of course be attending the Antique Show & Sale all during the weekend. Your Show committees have gone to great lengths to make sure you will have a large and unusual selection of Cambridge glass to please even the most discriminating Cambridge glass collector. You will have only yourself to blame if you do not go home with many new items for your collection.

While at the Show, don't forget to view our two Display rooms. The Display Room committee has been working very hard to present an outstanding display of Cambridge glass for your viewing pleasure. DON'T MISS IT! There is no charge to view these displays -- but a donation to help defray the expense of insurance would certainly be appreciated.

Your Convention committee has set up three interesting tours for you on Saturday afternoon beginning at 1 PM. You will be visiting the Mosser Glass Company, the Degenhart Crystal Art Glass Company and Bennett's Cambridge Glass and Pottery Museum. Your host for the afternoon will be Charles Upton. There will be a 50¢ admission charge at the Museum - the other Tours are free.

Returning to the Country Club Saturday evening, we will have Cocktails beginning at 6:30 PM, and our Annual Convention Banquet will begin at 7:30 PM. Our audience this year will contain two very Special Ladies, prominent to the glass world. They are Miss Mary Martha Mitchell of Cambridge, Ohio, and Miss Lucile Kennedy from Bellaire, Ohio. Miss Mitchell was employed for many years as Secretary to Mr. A. J. Bennett and Mr. Wilbur Orme. Her important position with the Cambridge Glass Co. continued right up to the time of its sale and closing. She is still very active in the glass

# Let's Get Acquainted

by Phyllis Smith

Following along in our efforts to acquaint our members with their Board of Directors, we wish to introduce you this month to a very dear lady - Mrs. Ruby F. Landman.

Ruby was born on April 2nd, near Jeromesville, Ohio, the daughter of Ray and Esta Fridline. Jeromesville is located in Ashland County and she has lived in that area all her life.

At the tender age of eighteen, she became the bride of Gerald R. Landman (a former Cambridge, Ohio boy), and they now make their home in Ashland, Ohio.

They are the parents of two grown, married daughters, Eloise Cooke and Sally Landis. They also have three grandchildren of whom they are mighty proud. Eloise has two daughters, Vicki and Lori, and Sally has one son Charles.

Ruby lists her present occupation as home maker, but she worked for some eighteen years as a seamstress for a local department store in their drapery department. She is a member of the Church of God, and tells us that her hobbies include knitting and crocheting as well as sewing.

Her husband Gerald (better known to his friends as "Red"), is Service Manager of sprayer equipment for Water Supplies, Inc. distributors of Myers Pumps. As such, he spends a lot of time traveling around the state.

Ruby and Gerald have been members of N. C. C. since its beginning in May, 1973. To their knowledge they have attended all Quarterly meetings, Conventions and Auctions since the Clubs beginning. Ruby was appointed to the Board of Directors in September, 1976.

One of the first pieces of Cambridge glass purchased by the Landman's, way back in 1971, was Cambridge Arms. Since that time their collection has grown to well over 250 pieces. Ruby's most recent acquisition was presented to her by Gerald on Mother's Day. It is a lovely amber salad set complete with the salad fork and spoon. This is indeed a splendid and most unusual addition to her growing collection.

Ruby is a quiet lady who is willing and eager to help N. C. C. in any way she can. At present she is working on research at their local Library in hope of finding additional information that might be shared with our members through the CRYSTAL BALL.

Now that their family is grown and away from home, Ruby and Gerald spend a lot of time traveling - visiting Antique Shows, Flea Markets and Shops. They are always on the alert to find that piece of Cambridge glass that will add to their collection and their knowledge of Cambridge glass. It is nice having a lady like Ruby as a member of our Board of Directors!

## THANKS!

Your President, Bill Smith would like to extend his sincere THANKS to all of you who have expressed concern during his recent illness with cards, letters and personal contact.

We are happy to report that he is getting along very well at this time. As many of you are aware, he suffered a Heart Attack on March 22nd, and was confined to the hospital until April 3rd. He was readmitted on May 18th, suffering with Angina, but returned home on May 21st. He is now resting and awaiting the results of his tests.

His plans still include attending the Convention, and he is counting on seeing many of you there!

# NEARCUT Patterns

NO. 2760. DAISY DESIGN  
MEDIUM PRESSED.

by Phyllis Smith

Continuing with our NearCut Specialties this month, we present Patterns #2654 and #2649.

As you can see, the detail of both patterns is absolutely breath-taking. It is a marvel the mold makers were able to come up with such intricate designs.

The #2760 Daisy design Candlestick is added here only as a matter of interest to any one collecting this pattern. Unseen in the picture are small daisies around the top of the candle pocket. We recently acquired a pair of these lovely candlesticks for our private collection and they are gorgeous!

industry as part owner and manager of the Variety Glass Co. of Cambridge, O. Miss Kennedy is the General Sales Manager of the Imperial Glass Co. (a subsidiary of Lenox, Inc.). She has been a good friend and supporter of N.C.C. since its very beginning. It will indeed be a pleasure to WELCOME these two lovely Ladies to our Convention.

Our guest Speaker this year is one of our very own members -- Mr. Robert Coyle ASID, from Newark, Ohio. His topic for the evening will be "Decorating With Antiques". Mr. Coyle holds a B. S. Degree in Design from the University of Cincinnati. He is a member of the American Society of Interior Designs and has served on its Board of Directors - New York Chapter of A.I.D., and is a member of the National Accreditation Board of A.I.D. He is presently self-employed in the field of Interior Design and Antiques. He is a former member of the Board of Directors and a Past-President of N.C.C.

On Sunday morning, the Buffet Breakfast is scheduled for 9 AM. After breakfast our N.C.C. Annual Business Meeting will take

place. A special panel has been selected for our "Show and Tell" session to follow the meeting. Bring your Cambridge glass (???) pieces to this meeting for opinions from this panel of experts.

By this time on Sunday you should have sufficient energy left to attend the Show one more time and purchase that piece of glass you should have bought Friday evening when you first saw it. If you are extremely lucky - it will still be there!

Don't forget to pick up the glass you have on display in the Display rooms, between the hours of 4 and 6 PM, Sunday.

ALSO - Be sure you mark the dates for next year's Convention and Antique Show on your calendar. It is never too early to make your plans to attend. Be seein' you soon!
