THE Cambridge GLASS COMPANY of CAMBRIDGE, OHIO

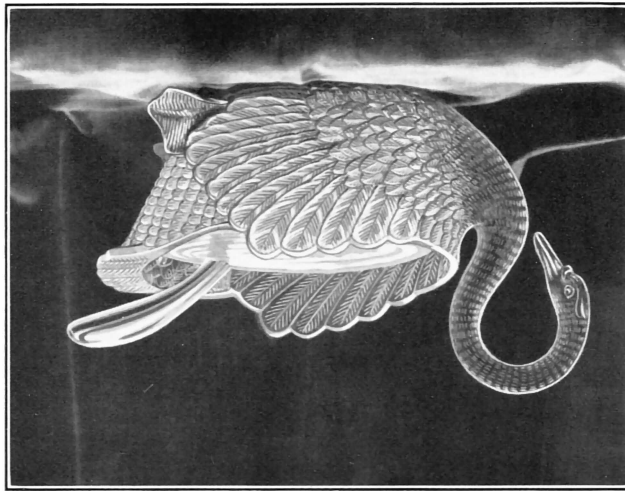

The store operator who adds Cambridge Glass Swans to his line will find a very interesting item that will help out sales of other articles as well.

The store operator who adds Cambridge Glass Swans to his line will find a very interesting item that will help out sales of other articles as well.

A small table displaying the various sizes and colors, each filled with natural or artificial flowers, fruits, candies, nuts, mints, and the like, will prove an irresistible appeal to the housewife shopping thru the store. An alert salesperson nearby can easily make the sale.

The higher class trade alone. The various sizes makes the line adaptable to a multitude of uses.

No. 1042. Six and one-half inch Swan, with ladle for mayonnaise. May be used with 2 1/4 inch Flower Block for a small center piece and also makes a very attractive candy or bon bon dish.

BEAUTIFUL, NOVEL, AND WITH MANY USES—

These New Numbers will be Very Popular.

Beauty and grace quickly arrest the eye of the woman shopper. When combined in an article that has many practical uses either for formal affairs or in everyday usage, sales are not difficult.

Cambridge Glass Swans really are outstanding examples of moulded glass work. Faithful as to detail, every feather down to the smallest is reproduced, and the line comes in the four most popular of today's colors, Emerald, Ebony, Crystal, Peach-Blo.

The price range is very attractive; twenty-five cents up to five dollars retail makes their appeal universal instead of being confined to

Cambridge Glass Swans are made in the following sizes:

- No. 1040. Three inch.
- No. 1041. Four and one-half inch.
- No. 1042. Six and one-half inch.
- No. 1043. Eight and one-half inch.
- No. 1044. Ten inch.
- No. 1045. Thirteen inch.

Any of the above can be had in these popular colors:
