BREAKAGE—As we have all our glass put up by experienced packers, in the most neat and careful manner, we make no allowance for breakage, our Bills of Lading being guarantee of good

order when shipped; also, that number of packages called for were shipped, and whatever is short should be deducted from freight bill before payment is made to transportation company.

BARRELS AND ORIGINAL PACKAGE LOTS.

The term "Barrel Lots" designates that to get benefit of prices under this heading, the order must be for a regular size barrel containing the quantity designated under heading "Dozens in Barrel." "Original Package Lots," however, in some cases, are for less than a barrel and are as follows: * Indicates Original Package.

Nappies, 3 in. to 5½ in. inclusive, 12 dozen constitutes a package.

Comports, 3½ in., 12 dozen constitutes a package.

Pickles, 12 dozen constitutes a package.

Stem Ware under 4 oz., 12 dozen constitutes a package.

Salts, Shaker and Individual, 12 dozen constitutes a package.

Pressed Bar Tumblers, 12 dozen constitutes a package.

Blown Tumblers (light or sham), over 3 oz. and under, 24 doz. constitutes a package.

Blown Tumblers (light or sham), over 3 oz. and less than 6 oz., 12 doz. constitutes a package.

Vases, less than 6 in., 12 dozen constitutes a package.

Custards, 12 doz. constitutes a package.

NOTE.—When a purchase amounts to more than an original package, then all over the regular package will be charged at regular package price.

In many cases there is no difference established between "Barrel or Original Package Lots," and in such cases you will find the prices the same under both headings.

CAPACITIES.—Capacity given is fluid measurement, of 16 ounces to the pint, and is as nearly accurate as possible, but we do not guarantee capacities.

CORRESPONDENCE.—Solicited in regard to any article of glassware.

NAMES.—"Set" as applied to glassware, signifies one each, Sugar and Cover, Butter and Cover, Spoon and Cream.

"Lemonade Set" consists of one each, Pitcher and Tray and six (6) Tumblers.

"Water Set" consists of one each, Pitcher, or Water Jug and Tray, and two (2) Tumblers or Goblets.

Price lists and Catalogues furnished on application.

SPECIAL NOTICE.

The marginal numbers denote in dozens the quantity of the article we USUALLY pack in a barrel.

The quantity packed in a barrel may in some cases differ from these figures, and is not guaranteed.

Prices given herein are net.

No discounts allowed or given. Except the usual 2 per cent. for cash, if account is paid promptly 30 days after date of invoice.

All goods that are not priced under "special headings," are priced under the lines to which they belong.

All novelties and other ware, not priced under special headings will be found priced under the heading "Miscellaneous."
