THE AMERICAN BACCARAT

NOTICE.

In this Price List will be found quotations on complete lines in various designs in cuttings, etchings, etc. Our Illustrated Catalogue, which accompanies the list, shows sizes and patterns in plain goods, and sufficient illustrations are shown of cut, etched, decorated and engraved, to enable the buyer, by referring to this list, to make selections.

Cut and Etched Goods are made to order, and may be packed as desired.

Numbers of dozens packed in barrel may vary from printed list, as also gross weight of barrels given in list, owing to different methods of packing. The information given in these two columns is therefore approximate, but will aid buyers in computing cost.

Capacities.—Capacity given is fluid measurement of 16 ounces to the pint, and is as nearly accurate as possible, but we do not guarantee capacities.

Breakage.—As we have all our glass put up by experienced packers in the most neat and careful manner, we make no allowance for breakage, our Bills of Lading being guarantee of good order when shipped; also, that number of packages called for were shipped, and in case of shortage same should be deducted from freight before payment is made to transportation company.

Terms.—All accounts are due and payable within 60 days from date of invoice. A discount of 2 per cent. will be allowed if paid within 30 days from date of invoice.

Deliveries.—All goods are sold Free on Board Cars at our plant.

Prices subject to change without notice.

All sales and contracts made by this company subject to strikes, accidents, fires or other unavoidable delays.
