3600 - 2 pc. Cocktail Icer

CIRCULAR LETTER #65
TO ALL AGENTS:

Sample is being sent you of the new #3600 2 pc. Cocktail Icer.

This is the same shape as the Pristine #18 with the exception that it is made with the regular cast foot that is used on all lines of Stemware. By making it with this foot, instead of the heavy patented foot that is on the #18 you can now use it with any line of Stemware. There has been more or less objection to the heavy foot--the claim being that it does not match up correctly in other lines of stemware.

Add to 3600 and 3625 Stemware price list pages:

3600	2 pc. Cocktail Icer	Plain	E/Chantilly
		15.00	22.50 per doz.
Add to ³⁶⁷⁵ 3625 Stemware price list page:			
3600	2 pc. Cocktail Icer	Plain	E/Blossom Time
		15.00	22.50 per doz.

Cancel from those three pages:

18 2 pc. Cocktail Icer, plain and Etched, as it will not be furnished in Chantilly and Blossom Time.

Add to Unusual Service Accessories pricelist
3600 2 pc. Cocktail Icer @ \$15.00 doz.

Yours truly,
THE CAMBRIDGE GLASS COMPANY

ed

We had a customer in here who help/us work up this set. It was Jim Faulds of Kaufmann's. He has purchased 100 of them and is going to promote the item for his fall business. Of course, we have given him exclusive control for the city of Pittsburgh and we believe if you will handle the set with your customers in a similar manner, you will be able to do a nice business on this item this fall. You should at least have one customer in each of your towns who should be able to handle this set in fair quantity.

This set will be furnished etched or plain. These etchings will be Rose Point, Wildflower, Portia, Diane and Elaine. *Chantilly - Blossom Time*

Our price on the set etched in lots of one dozen or less will be \$4.50. The price in quantities over that will be \$4.25 per set NET. Of course, these prices are subject to the usual package charges.

Our price on the plain set in lots of one dozen or less will be \$3.50. The price in quantities over that will be \$3.25 per set NET, plus regular charge for package.

Take and set up one of these from your samples and we think you will agree with us that you have something quite unique and out of the ordinary in the way of a table centerpiece set. If you want a sample set made up and sent to you,, please advise.

We have had a photograph made which is being sent with this letter.

Note that in the etched set, the Bowl is etched and the Hurricane Lamps are etched on the foot.

Yours truly,
THE CAMBRIDGE GLASS COMPANY
